

Contained in this document are the approved major and other required course codes for all SHSM programs by sector. Please note that when developing pathway charts it is imperative that the major credits offered for each pathway provide students the learning opportunities to develop specialized technical knowledge and skills.

LEGEND:

Black course codes are taken from the 2009-10 Master List

Red Course Codes = Added in January 2011

= course codes to be removed as of September 2010.

Green Course Codes = Added in June 2011

Orange shaded cells and brown text indicate course codes to be removed as of June 2011
